

Global Acquisition Finance

Who we are

Bank of Ireland's Global Acquisition Finance team are specialists in leveraged finance - arranging and underwriting transactions across a broad range of geographies. With extensive experience across all sectors, the team focuses on providing debt finance solutions to leading private equity houses in the European and US leveraged buyout markets.

With offices in Ireland, the UK, Continental Europe and the US, the Global Acquisition Finance team is comprised of c. 90 dedicated professionals who exhibit a flexible, commercial approach and benefit from a streamlined decision-making process.

Our services

The Global Acquisition Finance team provides a comprehensive product range including senior and mezzanine debt financing. Working with colleagues in our Global Markets division, we can also provide other services such as structured products, interest rate and exchange rate hedging instruments and cash management solutions. In addition, a dedicated Portfolio Management team monitors individual asset performance and manages transactions post-completion. Bank of Ireland also provides syndication services through a dedicated Syndications team.

The transaction scope includes:

- Management buy-outs and buy-ins
- Leveraged buy-outs
- Leveraged corporate acquisitions
- Public to privates
- Capital re-organisations
- Capital expansions

Why choose Bank of Ireland?

- Long term commitment to the asset class
- Timely and responsive credit culture and process
- Creative and innovative debt solutions
- Strong track record of deliverability
- Consistently delivering high levels of customer satisfaction
- Contributing to successful and timely completion and syndication of transactions
- Professionalism and commitment
- Long term asset holder
- European and US footprint
- Ability to execute cross-border transactions
